WELCOME TO MODERN SCREWS

Welcome to Modern Screws Online, supplier of standard & specialist screws, nuts, bolts and fastener accessories to the UK & the World. An independent fastener company.

ABOUT US

Since 1958 we have been supplying high quality, precision miniature BA thread and metric screws to the clock-making, model-making and micro-engineering industries.

LATEST NEWS

Useful Charts, Docs & Catalogues
Some new 'useful charts & docs' have been uploaded today - 13th Dec 2012...

www.screw-shop.com

Please click this link for our online-shop for precision miniature & BA Screws, Screw-Shop.com...

Welcome to our new Site

Please bear with us while we finalise the look of the new site and add our vast range of product to the online-shop

Check Out The New Web Site - What's New? - Meet The Team

What's New?

We've increased our range on both security screws and pop rivets.

Our very comprehensive range of security screws now includes Armour Rings, Hammer Rings and Sleeve Anchors as well as a full range of security drive bits for all fasteners.
