

FMXP[®] PRO

TASSELLO CON VITE PRO NYLON PLUG WITH PRO SCREW

NYLON
PA 6
NYLON

- **ELEVATE PRESTAZIONI:** fissaggio con caratteristiche di tenuta paragonabili ai tasselli metallici.
- **USO PROFESSIONALE:** vite con impronta Torx e filettatura non tagliente.
- **L'INSERTO TORX** è incluso in ogni confezione.
- **CORRETTO FISSAGGIO** su tutti i tipi di supporto: pieni, vuoti o forati.
- **ESPANSIONE CONTROLLATA** su supporti pieni grazie al disegno del profilo interno ed alla feritoia sinusoidale.
- **FORMAZIONE DEL NODO** garantita su tutti i supporti vuoti o forati.
- **EFFICACE** antirotazione tramite alette opportunamente dimensionate.

- **HIGH PERFORMANCE:** similar load values to metallic fixings.
- **PROFESSIONAL USE:** screw with Torx recess and non-cutting thread.
- **EACH BOX** contains a Torx screwdriver bit.
- **SUITABLE FOR USE** on most base materials: solid, perforated or hollow materials.
- **CONTROLLED EXPANSION** on solid base materials due to internal profile and locating groove.
- **KNOT FORMATION** guaranteed on all perforated and hollow base materials.
- **EFFECTIVE ANTIROTATION** ensured by ribs.

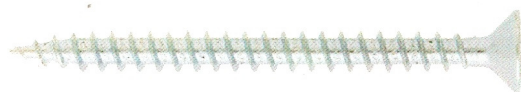

FMXP[®]

TASSELLO CON VITE TRUCIOLARE NYLON PLUG WITH CHIPBOARD SCREW

NYLON
PA 6
NYLON

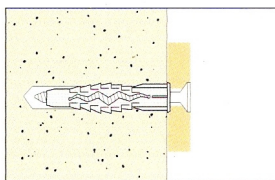

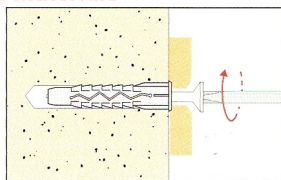

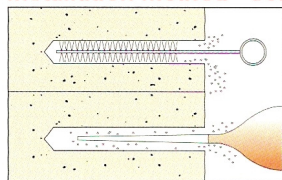

- **CARATTERISTICHE E PRESTAZIONI** analoghe a FMXP[®] PRO proporzionate alla vite di tipo truciolare.

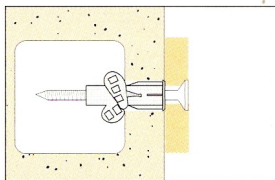

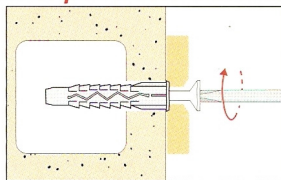

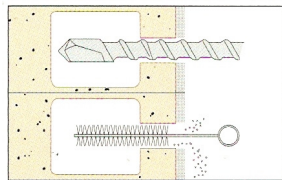

- **CHARACTERISTIC AND PERFORMANCE** similar to FMXP[®] PRO yet proportional to a chipboard screw.
